***SUBSIDISED* MOUTHGUARD
&
SPONSORSHIP FOR YOUR CLUB***

HOW THE OFFER WORKS

* For players who have health fund benefits, we will claim the health fund rebate directly through HICAPS and accept this as full payment. This means that there will be no cost to the player.

For players who are not covered by a health fund, there will be a substantially discounted fee of \$108.

- Call for an appointment to come to our practice to have an impression taken.
- **Proof of membership of a participating club e.g. registration receipt, will be required.**
- Approximately one week after the impression is taken, you will return to have your custom mouthguard fitted.

- You can choose either a clear or single-coloured mouthguard. Two-colours are available for an additional fee.

‘STORE-BOUGHT’ mouthguards should be AVOIDED!

They DO NOT provide adequate protection!

They also impair performance as the players often have to clench their teeth to hold the mouthguard in place and this greatly reduces their ability to breathe properly.
