Nathan Hindmarsh Visit The Rouse Hill Rhino's

On behalf of the Rouse Hill JRLC Under 10 Div 4 team and officials, I would like to offer our profound gratitude to Nathan Hindmarsh for making himself available to spend a training session with the boys last Tuesday night. As the team face a tough battle ahead in their semi finals push, Nathan's presence is sure to have inspired them and given them much confidence. At very least I can attest that the boys (and their coach Damien Peters, an avid Eels supporter) had the most fun at a training session they've ever had.

I must also thank Colin Buttigieg (U10 trainer) and Steve Dutton of Pirtek Fluid Transfer Solutions, major sponsor of the Parramatta Eels for making Nathan's visit possible.
